## The Ellen (Herself) 6.75

this original sandwich has the mild taste of turkey, the tanginess of cole slaw, russian dressing, provolone, on rye, pumpernickel or marble.... then btu'd to perfection

## The Lisa-Anne 8.40

open-faced sandwich of lean corned beef & pastrami, tomatoes, russian dressing, then smothered in provolone & swiss, on rye, pumpernickel or marble, baked in the oven.....amazing

## The Bart 7.25

Ellen's famous tuna salad, fresh tomato slices, strips of crispy bacon, a little egg, russian dressing, topped with provolone on rye, pumpernickel or marble, toasted in the oven

## The Joey 7.75

an open faced sandwich blending ham & sliced chicken pouched in provolone flavored with russian dressing served on rye, pumpernickel or marble, melted in the oven

## The Sherolly 4.25

this is what we made our kids when a whole pizza was too much....just mozzarella, sauce & your choice of mushrooms or pepperoni melted on an italian roll

## Chicken Stromrolli 7.25

this one is our chicken stromboli in an *italian roll*, sliced chicken, salsa & cheddar, sunned in the oven hot hot hot!!!

## Our Funky Chicken 7.85

a little creamy italian on a roll, crunchy romaine, lottza grilled chicken, green pepper oozing with american cheese & fried onions, if you like

## The snuzzabella 8.10

fresh sliced tomatoes on a roll, portabella mushrooms mixed with steak or chicken, topped with swiss cheese then lightly baked in the oven .....ymmmmm!!!!!!!

## The Bill (His Favorite) 8.00

open-faced sandwich of our tender roast beef & turkey, fresh tomato slices, provolone & swiss, russian dressing, on rye, pumpernickel or marble fused in the oven

## Uncle Jerry (I like this one) 7.40

Pastrami & swiss cheese with russian dressing on roll, baked in the oven

## Meglet blu cheez or ranch 6.75

grilled chicken & spicy wing sauce, topped with mozzarella , on roll & baked in the oven [not suggested for the faint of heart]

## The Snuzzled 7.35

steak or chicken with mushrooms or pepperoni, sauce, covered with mozzarella & baked in the oven

## The Snuzzlene 7.85

there's nothing basic about this steak or chicken sandwich - mushrooms, pepperoni, sweet peppers, sauce & mozzarella, finished in the oven - this one's for real !!!!!

## Snuzzle Stuffer 7.85

start with steak or chicken, plus xtra mushrooms, extra white american cheese, sauce & onions, hot peppers on the side, on one of our wonderful italian rolls - you have a recipe for a serious Snuzzles experience

## The JJ 7.85

this is how it goes: a little mayo on a roll, then sliced ham, add some american cheese - put steak or chicken on top of that, then more american & barely bake it mmmmm!

## The Chicklette 7.35

grilled chicken on a roll with your choice of mushrooms or green peppers or sweet peppers with sauce, fried onion if you like, covered with mozzarella baked in the oven

## The BRAN 8.00

an open-faced sandwich of our tender roast beef, fresh tomato slices, American cheese, horse radish sauce, on rye, pumpernickel or marble melted in the oven
